Speaker configuration focusrite 1st and 2nd Gen Scarlett 2i4

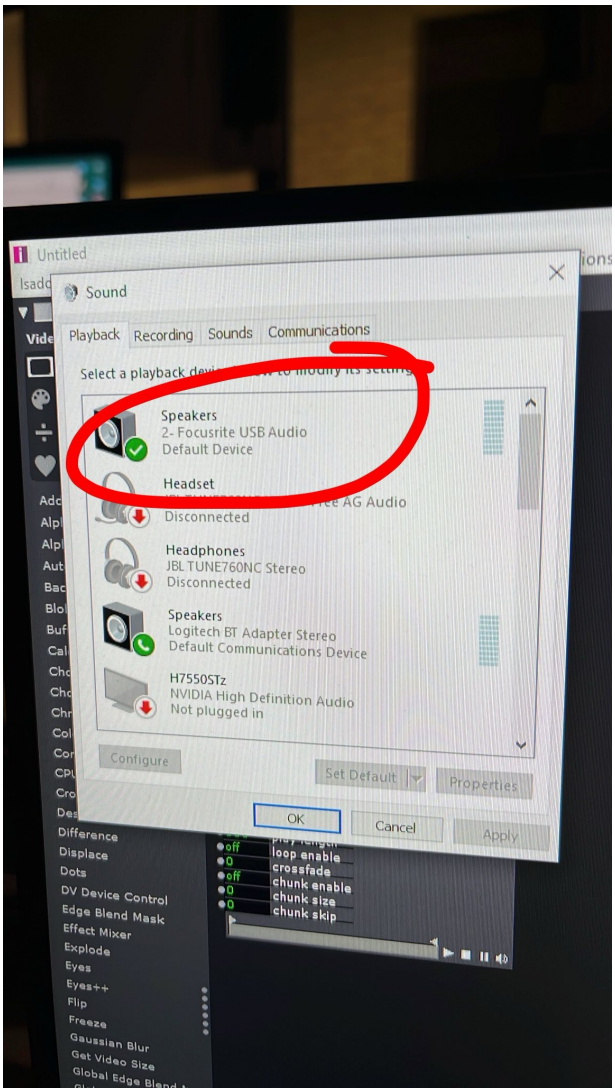

Since 2024 Focusrite control software doesn't support 1st and 2nd Gen Scarlett Solo, 2i2 and 2i4. But we work with them on HKU.

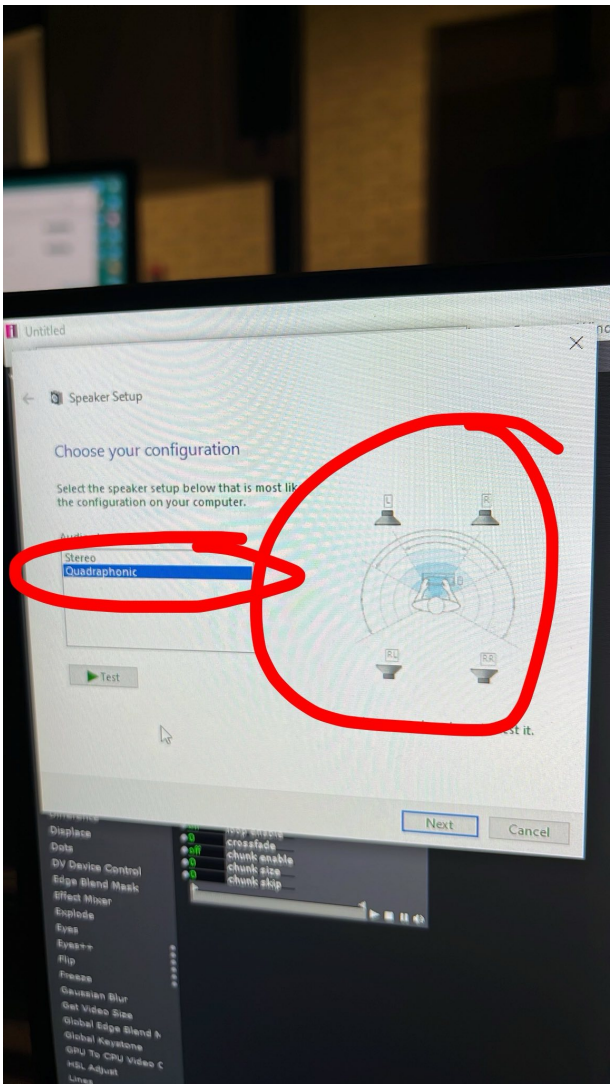

To configure the 4 speakers setup go to your preferences in the audio software you work with.

Windows settings:
Control Panel > Sound > Playback: Speakers (Focusrite USB Audio) > Configure > Quadraphonic

Example Isadora:
