

# Cahiersteek 5-hole

Gaten

Oneven aantal (5)

Draadlengte

3 maal de hoogte van de publicatie

Gereedschap

Prikmal

Priem

Wasknijpers

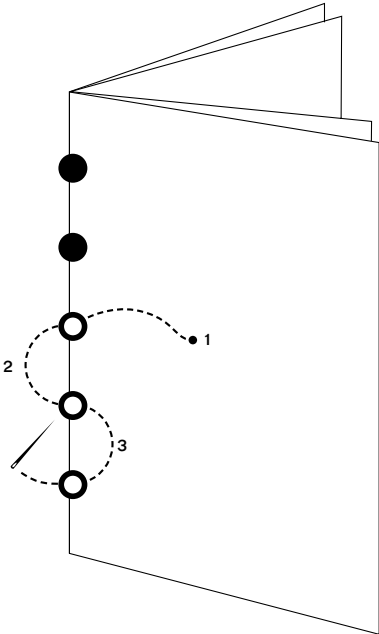

Garen

Boekbindnaald

Schaar

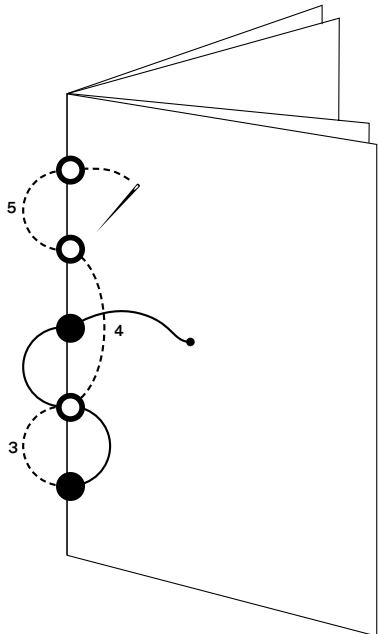

A

Katern eventueel vastzetten met knijpers.  
(1) Hou ±10 cm touw over bij het doorhalen.  
Knoop binnen = Binnen beginnen  
Knoop buiten = Buiten beginnen

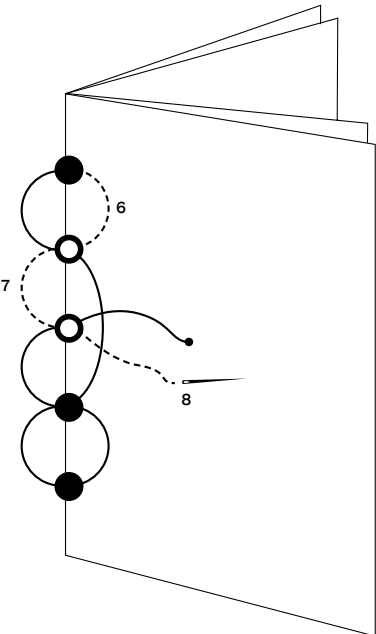

B

(4) Let op: sla het middelste gat over.  
Leg het touw goed strak.

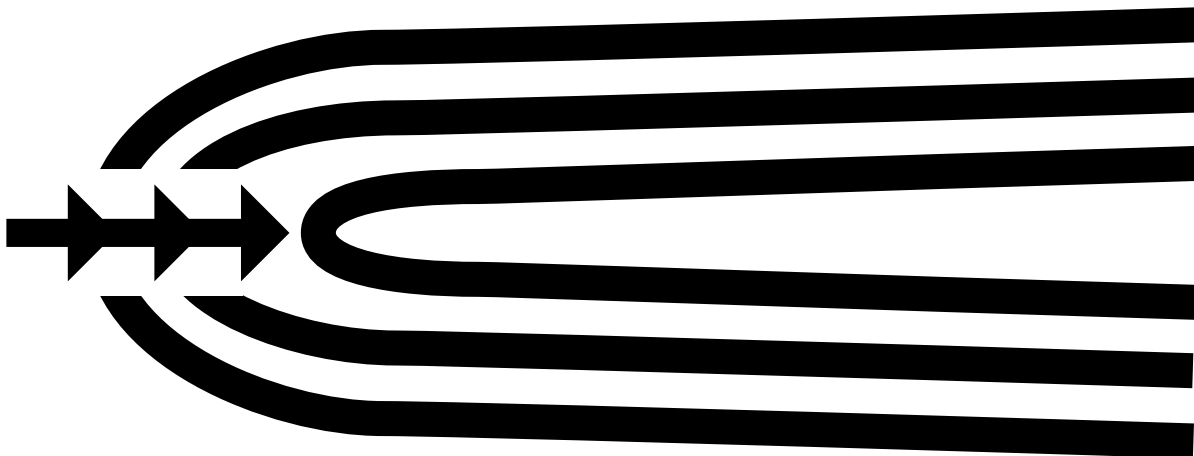

C

Touw goed strak spannen waarna  
vastzetten met een dubbele platte knoop.  
Afknippen op gewenste lengte.  
Indien nodig schoonsnijden.

# Handleiding

# Cahiersteek

# Hechten

Type techniek  
Door de rug

Pagina's  
Veelvoud van 4

Volgorde  
Vouwen  
Binden  
Schoonsnijden

Tijdsduur  
30 – 60 min.

Kenmerken  
Weinig vrijheid  
papier mix

Zeer goede  
vlakligging

Omslag gelijk  
mee hechten

Andere hecht technieken  
Nieten  
Singersteek

## 5-hole

Holes

Odd number (5)

Thread length

3 times the height of the publication

Tools

Pinning template

Awl

Clothespins

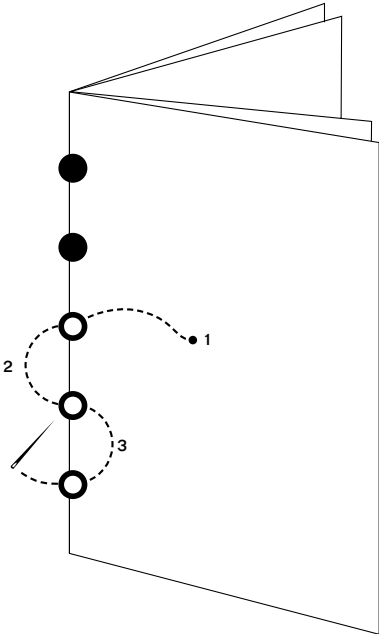

Thread

Bookbinding needle

Scissors

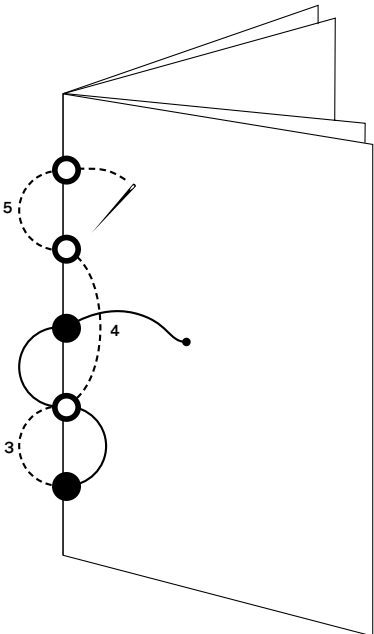

A

Secure the signature with clothespins if necessary.  
(1) Leave approximately 10 cm of string when pulling it through.  
Knot inside = Start inside.  
Knot outside = Start outside.

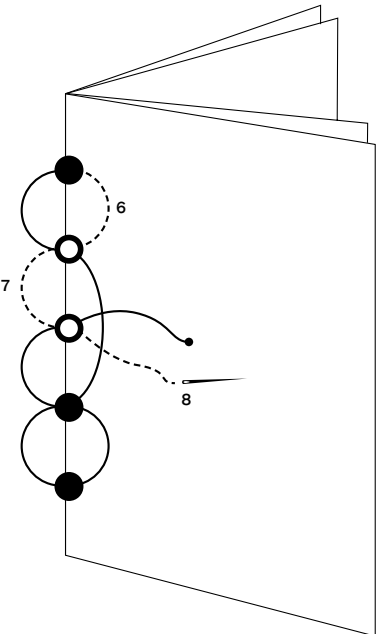

B

(4) Note: Skip the middle hole.  
Tighten the rope.

C

Pull the rope tight and then secure it with a double reef knot.  
Cut to the desired length.  
Trim if necessary.

# Pamphlets

## Binding

Type of technique  
Through the spine

Pages  
Multiple of 4

Sequence  
Folding  
Binding  
Trimming

Duration  
30 – 60 min.

Features  
Little freedom  
Paper mix

Very good  
flatness

Attach the cover  
at the same time

Other stitching techniques  
Staple  
Singer stitch
